Tips

- Connect to a Wi-Fi network before downloading a magazine. Download time should be significantly faster when using a private Wi-Fi network rather than a public Wi-Fi network.
- For Kindle users, follow the link at the bottom of the NRH Library Zinio website to download the app rather than searching the Kindle app store.
- Do not use the Search or Browse features of the app, as it will direct you to magazines that require payment
- The downloading process may vary, so please follow the prompts on your device for a successful download
