# North Richland Hills Library Events

January 2017

## Year of the Book Launch Party

January 14 @ 11:00 a.m.

Join us to launch the Year of the Book--The NRH Library's literacy campaign for 2017! We will host our first ever local author fair, a Book Buzz event where you can learn about upcoming releases, crafts, games, a story time marathon, an Edible Book Contest, and giveaways. Visit [library.nrhtx.com/launchparty](http://library.nrhtx.com/launchparty) for more information.

## Guide to Internet Privacy

January 10 @ 7:00 p.m.

The Maker Spot

Learn about the basic tools for protecting your privacy, anonymity and overall security while online and on your mobile devices. **This class is open to those 16 years old and older.**

Registration required. Visit [themakerspot.org/events](http://themakerspot.org/events) to register. Registration opens 1/3/17 at 9:00 a.m.

## Babygarten

Sessions Begin January 23

Polly's Room

Babygarten© story time is a fun and educational **six-week series** of classes for children 0-12 and 13-18 months and their caregivers.

Registration required. Visit [library.nrhtx.com/babygarten](http://library.nrhtx.com/babygarten) for more information and to register. Registration opens 1/9/16 at 9:00 a.m. Space is limited.

## Read with Mollie & Friends

January 21 @ 10:30 a.m.

Polly's Room

Mollie the therapy dog and her other furry friends are ready to read with you! They are fun and cuddly non-judgmental listeners that can help to strengthen reading skills and build confidence in beginning readers. Please arrive by 10:00 a.m. to sign up for your 15 minute time slot. There are a limited number

of slots available and slots will be available on a first come, first served basis. Visit [library.nrhtx.com/mollie](http://library.nrhtx.com/mollie) for more information.

## Building Redstone Devices in Minecraft

January 14 @ 2:00 p.m.

The Maker Spot

Do you love Minecraft but need some help to understand redstone devices? Attendees should have a basic understanding of Minecraft.

Registration required. Visit [themakerspot.org/events](http://themakerspot.org/events) to register. Registration opens 1/3/17 at 9:00 a.m.

## Arduino for Beginners

January 26 @ 6:00 p.m.

The Maker Spot

This class is designed to provide an introduction to, and develop a basic skill set for, working with Arduino microcontrollers to code and create robots and other electronic devices. Laptops will be available for those who need them.

**This class is open to those 10 years of age and older. Children ages 10-13 must have a parent attend class with them.**

Registration required. Visit [themakerspot.org/events](http://themakerspot.org/events) to register. Registration opens 1/3/17 at 9:00 a.m.

## Holiday Closures

January 2 & January 16

The Library will be closed January 2nd for the New Year and January 16th for Martin Luther King Jr. Day. Please call 817-427-6800 to renew items in advance or use the Library's mobile app. The app can be downloaded by going to [library.nrhtx.com/mobileapp](http://library.nrhtx.com/mobileapp). Items can be returned to the walk-up or drive-thru drops during this closure.
