**Need Computer Help?**  
 The North Richland Hills Library is offering one-on-one computer classes. The class topics range from Computer Basics to Microsoft Excel. Classes also available en Español. Call 817-427-6814 to schedule a class today or visit:  
[library.nrhtx.com/computerclasses](http://library.nrhtx.com/computerclasses)

Visit [themakerspot.org/events](http://themakerspot.org/events) for programs listed in green and to view additional programs. Some programs may require registration; space is limited. Registration for these programs begins 4/3/17 at 9:00 a.m.

# North Richland Hills Library Events

April 2017

## Learn to Draw

Saturday, April 15 @ 1:00 p.m.  
The Maker Spot, 2nd Floor

This class focuses on the basics of drawing. Each student will learn observational skills, how to do a contour drawing and methods for improving their drawing outside of class. Open to ages 12 and up.

**Registration required.** Visit [themakerspot.org/events](http://themakerspot.org/events) to register. Registration opens 4/3/17 at 9:00 a.m.

## Are You Playing Booko?

Booko is a literary twist on Bingo that encourages readers of all ages to step outside of their reading comfort zones. Read a book that fits the description in the box, write the title of the book in the box and when you have read all of the books in a horizontal, vertical or diagonal line, you've got a Booko! A winner is selected each month from the Booko cards that are returned. To learn more, visit [library.nrhtx.com/booko](http://library.nrhtx.com/booko)

## Toddler Time

Tuesdays: 10:00 a.m.  
Polly's Room

This 30 minute interactive program for Toddlers, ages 18 to 36 months, and their caregivers features stories, finger play, action rhymes and songs. Toddlers will be introduced to sounds, letter recognition and new words that will help them grow into pre-readers. After the program, toddlers and their caregivers are invited to stay and play with other attendees.

## Starting a Small Business

4/3 & 4/17 @ 3:00 p.m.

Thinking about starting a business? Need the basics or learn where to go to for help? This workshop introduces you to the business planning process.

**Registration required.** Visit [themakerspot.org/events](http://themakerspot.org/events) to register. Registration opens 4/3/17 at 9:00 a.m.

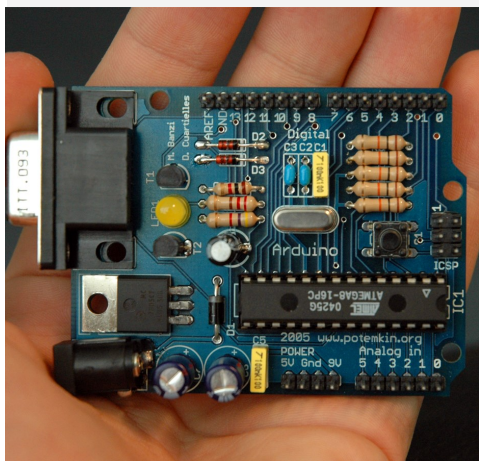

## Intro to Raspberry Pi

April 11 @ 6:00 p.m.

The Maker Spot, 2nd Floor

The Raspberry Pi is a \$35, credit-card sized computer that plugs into your TV and a keyboard. This class is designed as an introduction to the basics of Raspberry Pi and ease comfort in setting up a personal RPi at home. Open to ages 9 and up.

**Registration required.** Visit [themakerspot.org/events](http://themakerspot.org/events) to register. Registration opens 4/3/17 at 9:00 a.m.

## Arduino for Beginners

April 17 @ 7:00 p.m.  
The Maker Spot, 2nd Floor

This class is designed to provide an introduction to, and develop a basic skill set for, working with Arduino, a microcontroller used to create robots. Open to ages 10 and up.

**Registration required.** Visit [themakerspot.org/events](http://themakerspot.org/events) to register. Registration opens 4/3/17 at 9:00 a.m.

## Leatherworking Basics

Saturday, April 22 @ 10:00 a.m.

Leatherworking is the practice of making leather into craft objects or works of art. Sponsors Kim's Crafty Creations & Tandy Leather – Fort Worth #107 will be providing materials. Open to ages 16 and up.

**Registration required.** Visit [themakerspot.org/events](http://themakerspot.org/events) to register. Registration opens 4/3/17 at 9:00 a.m.

## Take the Reading Challenge!

The Year of the Book Reading Challenge is an online program that encourages readers of all ages to complete literacy activities and log reading throughout 2017 for the chance to win prizes! Activities will aim to improve reading skills in young children and challenge teens and adults to step outside of their reading comfort zones. To sign up visit: [library.nrhtx.com/Challenge](http://library.nrhtx.com/Challenge)
