## New Emergency Notification System

Starting in February 2015, the City of North Richland Hills will use a new system for delivering messages about severe weather and other emergencies to residents. The new system, which is called Everbridge, replaces the CodeRED system that the city previously used.

The Everbridge database already includes land line telephone numbers in North Richland Hills. Residents can also register to receive emergency calls on their mobile phone or to get emergency notices via email or text message. You can learn more and register online at [www.nrhtx.com/everbridge](http://www.nrhtx.com/everbridge) or by calling 817-427-6900.
